President's Report

I hope everyone had a nice holiday and to say Happy New Year to you all.

January will be a busy month down at the Club, as we have a couple of private parties and the return of the Michigan Dartsman tournament. This tournament brings darters from the surrounding states for an all day event. The organizers bring an additional six portable dart boards, adding to the 14 we have at the Club, so it's definitely a big day for darts.

The second part of the season has started for the Detroit open dart league, we have a couple new teams from another venue joining our club for their home, so Friday nights are going to be very busy with the Friday fish fry then the transition over to the Dart leagues. The board is developing a plan to do some building renovations in the near future. Once we have our project list complete, you will see some improvements starting to take place over the next few months.

Best regards,

Stephen

Hall Manager's Report

Happy New Year!

Big thanks to Diane and Marty for arranging New Year's again this year. We had 75 people. Great food and fun had by all. The next open dates on the calendar are February 23rd and March 2nd. If you have any ideas you would like us to try, please see me, Diane or Marty.

I want to take a moment to thank the many members that have stepped up to take on projects to clean at the Club. If there is a project you would like to take on, please let me know and I would be happy to discuss. Also, I would like to thank everyone that has given donations this year for raffle prizes. This helps offset entertainment costs.

See you soon!

Joann

Membership Secretary's Report

Happy New Year!

2018 ended on a sad note for me when I learned of the passing of my friend Pat MacCarroll. Former Club member, Pat was the very talented accordion player of the Riverboat Ramblers. A man who always had a bounce in his step, a kind word for anyone he met, and music in his heart.

"New Year's Day--Now is the accepted time to make your regular annual good resolutions. Next week you can begin paving hell with them as usual."
