### President's Report

Happy Spring to all,

I am very excited to say that the Fish fries have and are going very well. We have had some very busy nights the past few months but with the Summer months quickly approaching, the Club typically slows down a bit, which is to be expected.

The Board has to be diligent in making the right decisions on what entertainment nights we will pursue and others that we will need to take a break on. The Pub nights are a hit & miss for attendance, which makes it difficult to plan for these events. So with changing times, the Board will balance out what nights are best suited for these free events.

The Club has undergone some improvements and repairs during the past month. New water heaters, toilets and the keg cooler in the back. This does hit our building fund, but I'm happy to say that we are still able to continue with the improvements. The Men's room update is slightly delayed due to the other repairs mentioned, but it is still our goal over the next couple of months. As your Board has reached out previously anybody willing to give a helping hand would be most appreciated.

All the Best,

*Stephen*

### Vice President's Report

Our World War II Remembrance Evening was a tremendous success. A very special thank you to the Michigan Military Technical and Historical Society for providing the displays. And, of course, the music of the Tommy James Band, which really put everyone "In The Mood".

*Steve*

# Hall Manager's Report

Greetings!

The calendar is filling up, so please check the hall board when you are in the Club. I have put duplicate flyers of the events on the board, so feel free to take one. I find when putting them on the tables, they are getting tossed. You can also go to our website to see what is going on and purchase tickets at [www.commonwealthclubmi.com](http://www.commonwealthclubmi.com).

Please note that the Summer months are coming and with that the Club slows down because people would rather be outside, so you will see that if we do not have a strong event on Saturday we close to save on costs. In May our big event is the Belly Dancers on May 18th. It sold out last year so get your tickets early. May 24th and 25th we will close the Club due to the Holiday weekend.

June 15th we will be doing a Euchre tournament. This will be a fund raiser for the Club brought on by a couple of new members offering to raise money for the Club. There will be raffle prizes so if you have any that you would like to donate please leave at Club with a note for Lori Monley.

This is the time if you are looking to book for that Graduation or Birthday party for the Summer please contact me because the Saturdays and Sundays go fast for this.

See you soon!

*Joann*

## Membership Secretary's Report

We would like to welcome Tom Paulan of Warren to our membership.

Just a reminder that if you have any questions or concerns about your membership, feel free to contact me.

*Marty*

## Trivia News

This year's season has just flow by. Our awards banquet will be held Saturday May 11<sup>th</sup>. Doors open at 7:00. See you then!

### Team Rankings

You didn't really think they would be published this month, did you?! That would spoil all the fun!

## Editor's Comments

Maybe, just maybe, spring is arriving in Michigan. Yes, there is still snow in the weather forecast, but there have been sightings of that elusive harbinger of warmer weather, a victorious Detroit Tiger.

For me, spring means it's time for gardening. In the hectic world we live in, there is something so rewarding in getting outside and digging in the dirt. Studies show multiple health benefits in those down-to-earth chores. Keep in mind: you'll get the same benefits if you plant a flower or two in the Club's planters by the door; if you have one or two from the flat you purchased, bring 'em down. And just remember, the grass may be greener on the other side of the fence, but you still have to mow it.
