President's Report

We are officially in the slower summer season at the Club, but there are still plenty of reasons to stop in for a visit.

Darts on Wednesdays, Trivia the 2nd Saturday of every month, and, of course, the best fish n chips in town every Friday.

If that isn't reason enough, now is the perfect time to try an authentic British Shandy at the Club. Your taste buds will thank you.

Enjoy the weather, and we'll see you soon.

Stephen

Hall Manager's Report

Greetings,

We definitely are enjoying some nice weather – which means it's time for the Club Picnic! Make sure to mark your calendar for Sunday, July 21st (and note that the Club will be closed Saturday, July 20th).

If you've never stopped in during the Summer Darts, make sure you do! Every Wednesday from now until August 28th.

Just a reminder that the Club's website (www.commonwealthclubmi.com) and Facebook page offer real time info on the Club's events and activities.

Joann

Membership Secretary's Report

Please welcome Jennifer (Jenny) Ginther to our membership.

We received a generous donation in memory of Dave and Ada Duncan, Long time members of the Commonwealth Club. Thank you!

Enjoy the nice Summer weather. It has finally arrived!

Marty

Trivia News

Our Summer session continues Saturday, July 13th.

No limit to the number of players on your team, so grab your friends, and come on down to the Club for a fun night.

A HUGE Thank You to everyone who came out for our Euchre Tournament! We had a ton of fun – new members, new faces and great prizes.

And a special thank you to our corporate sponsors!

Editor's Comments

Over the past few weeks, I have been reminded of the adage of the fish, the house guest and the three day rule. April certainly over-stayed it's welcome, lingering through all of May and much of June. But this is Michigan, so last week, at Comerica Park, the lot of us were melting in a sunny 89F afternoon.

Weather always seems like such a knee-jerk "easy" topic of conversation. But few things impact the human condition more. As the temperatures rise, and heat advisories are issued, take a minute to check on friends, neighbors and loved ones. And a grateful "Thank You" to Willis Carrier, the American engineer credited with inventing the first modern air conditioner.

Paul
