### President's Report

I hope everyone is enjoying the summer months. The annual club picnic went over very well, it was a beautiful day and was enjoyed by all who attended. You may have noticed that the Club has been closed on some of the Saturday nights through the summer months. By doing so, we were able to offset the costs of opening the club and paying for entertainment on these proven low attendance nights due to summer vacations and just plain nice weather we all enjoy in the garden.

Next month is the AGM meeting to where we cover Club functions and issues. This is the forum to where your questions and concerns of the Club's operations can be discussed amongst the board and the members of this club. Your support here is much needed as we will be discussing the Club's future along with electing new board members for the next year.

Hope to see you soon,

*Stephen*

### Hall Manager's Report

Hi All,

It is so nice to see that Summer finally arrived. I hope everyone has been outside enjoying the sunshine. If you have not noticed the Club has basically gone dark on Saturdays this Summer. This is due to low attendance because of the nice weather. Please know that we will pick up full force again in the fall.

See you soon!

*Joann*

## Membership Secretary's Report

Just a reminder that the current membership year ends August 31, which means dues are coming due! The cost for a Family membership is \$60.00 and an Individual membership is \$30.00. If purchasing or renewing a Family membership, it is very helpful to have both names of the adults to help keep our records straight. And of course, dues must be paid prior to or at the night of the AGM to attend. If you are sending a check in to the Club, please mark the envelope to my attention.

Thanks,

*Marty*

## Trivia News

Our final Summer session is Saturday, August 10<sup>th</sup>. Doors open at 7:00, play begins at 7:30. It's too hot outside - enjoy a cold one at the Club.

No limit to the number of players on your team, so grab your friends, and come on down to the Club for a fun night.

Looking forward to the 2019-2020 season, which will begin Saturday, September 14<sup>th</sup>.

## Editor's Comments

108 years ago this month, the *New York Times* office sent the first telegram around the world. Traveling more than 28,000 miles in only 16.5 minutes, it was the fastest commercial cablegram. Exactly 66 years later, NASA would send a phonograph record containing information about Earth for extraterrestrial beings—shooting into space aboard the unmanned spacecraft *Voyager II*.

The desire to communicate is one of the core facets of the human experience. To be acknowledged, to be understood, to ask questions, to express needs and wants and develop relationships. With that in mind, *please* mark your calendar and attend next months AGM on September 21<sup>st</sup>. This is your club.

*Paul*
