President's Report

Hard to believe that here we are and it's December already.

For this year's Commonwealth Christmas Party, all are welcome to the event. This will be an evening of great food and entertainment.

Please join us for the New Year's party to bring in the new year.

A big thank you to all the volunteers that make this Club possible. Week after week, these folks put their time and efforts in to make this Club enjoyable for all. Without them, the Club would not exist.

Have a happy & safe holiday month.

Stephen

Vice President's Report

This holiday season the Commonwealth Club is again working with the Salvation Army to help those in need.

Please donate gently used coats, clothing or new unwrapped toys and place them in the donation barrels at the Club.

Cash donations are also accepted.

Thank you in advance for your generosity

Steve

Hall Manager's Report

It's great to see a lot of familiar faces at the Club. I Hope everyone enjoys the Holidays coming up with Family and friends. Please note the closed days at the Club during December around Christmas and New Year's.

Just want to take a moment to thank all my volunteers and anyone else that takes that extra step to help out at the Club. It is all of you that help make this club what it is. For anyone that wants to volunteer at the Club please reach out to me and I'm sure there is a role for you.

This is the time of the year that everyone is in the giving mode. Please remember we take donations to our building fund or any prizes for Bingo.

Happy Holidays!

Joann

Membership Secretary's Report

Submitted by Carol Connor:

Phil and I would like to take a moment to express our thanks to those members of our Commonwealth Club family who called, sent cards, messaged and visited during Phil's hospital stay in October and November. It was a rough patch for the Connor Clan, so your kindness meant just that much more. We hope one and all will have a blessed and happy Holiday just as we will, now that Phil is finally back home. Again many, many thanks.

Carol

Editor's Comments

The last month of the year is upon us again. A month of social whirling and activity dervishing. The bright lights and holiday carols, the to-ing and fro-ing with friends and family - I wouldn't miss them for the world. But I also relish this sentiment:

I heard a bird sing	"We are nearer to Spring
In the dark of December.	Than we were in September,"
A magical thing	I heard a bird sing
And sweet to remember.	In the dark of December.
