President's Report

Happy New Year and Welcome to 2020!

For the new year we are focusing on making some changes in the Club's operations to better meet our financial goals for the year. To start the new year, we will focus on the fish fry teams having a core group that will have a team captain for each Friday. This will help with consistency of product being served every week. This is in the planning stages and will be completed by months end.

The next couple of months we will be having a few events: don't miss our Monty Python 50th anniversary. We will have episodes playing on the big screen, sing-a-longs and commentary. Costumes are welcome! This will be a Pub night. In February, we are very excited to be hosting a Beatle's event.

Thank you to everyone that donated towards the Salvation Army's Toys for Tots and clothing drive at the Club.

Please check your calendar for our upcoming events and join in to support the Club.
