President's Comments

Not an anniversary I thought we'd be "celebrating", but we're one year in to the pandemic protocols that stopped us all in our tracks. We've certainly had to change the way we think, work, plan, shop and interact. Personally, I've learned not to sweat the small stuff and I've tried to develop greater patience. I'm not always as successful as I would wish.

But Spring is almost here, and change is coming. We are slowly and safely doing everything we can to reopen the Club. Please be patient and bear with us as we navigate new rules and new protocols. There is a light at the end of the tunnel, and I'm firmly convinced it's not a freight train.

As always, thank you for your continued support.

Entertainment Chairperson's Comments

Hello Club Members,

Now that the Club has opened with limited capacity, we have slowly started hosting and planning events. We started out small with a few teams for trivia and a small crowd for bingo.

We have two more events in the works. The Club will be hosting a St. Patrick's Day celebration on March 17 with our own Jennifer Ginther playing some of your favorite Irish music on keyboard and traditional Irish Dancers, too! There will be a limited menu including corned beef and cabbage available for those joining us in person and carry-out. Be sure to reserve your spot, as seating is limited.

We are also looking ahead to a St. George celebration on April 24th. Details will be coming soon. Be sure to check out the website for information on all of our events.

We look forward to seeing you soon!

Newsletter Editor's Comments

As newsletter editor, I have probably the easiest of all board positions. As such, I will try to include a joke or quip every publication, and to help my fellow board members who have real responsibilities.
