### President's Comments

Greetings!

I love the month of June - the days are warming up without being unbearably hot; there's a softness to the mornings that begs you to just stop and smell the flowers.

The month of June also has some very exciting events and undertakings at your Club. We've had to make a significant number of repairs, replace several pieces of equipment - it's been rather busy. I am pleased to announce that the mens' bathroom is being completely renovated. I think you will be pleased with the results. Unfortunately, there have been a few delays in receiving some of the components. We had originally anticipated offering in-door dining beginning this month; that's on hold until the bathroom repairs are completed. I think you'll find it's worth the wait!

There have been a significant number of changes in COVID-19 regulations in the last few weeks, and we are currently at roughly 53% vaccinated in the State of Michigan. The converse of that fact is that almost ½ of Michigan residents have not received a vaccine. Accordingly, your Board has decided that for the time being we will adhere to the most recent Michigan Occupational Safety and Health Administration (MIOSHA) Emergency Rules that are valid until October 14, 2021. Frankly, you won't see a difference from what we've been doing - all volunteers will continue to wear masks, and our members will continue to wear masks when entering the Club or otherwise not seated at a table. I appreciate that those of you fully vaccinated would prefer not to wear a mask, but you must do so to enter the building. Wearing a mask is the simplest and most effective way to keep us ALL safe.

See you at the Club!

*Lori*

# Entertainment Chairperson's Comments

Hello Everyone,

As more of us receive vaccinations and people are starting to venture out, we are looking forward to a sort of "re-opening" of the Club. We are planning a STEAK OUT this June with dining indoors. There will be special music and displays honoring the passing of Prince Philip, and the Anniversary of The Queen's Coronation, as well as her 95th Birthday. We hope you can join us for some delicious grilled steaks and great company.

In July, we are so excited to be bringing The Real Drag Queens of Bingo to the Club. This promises to be an absolutely rip-roaring good time.

Please remember that reservations are required and tickets *must* be purchased in advance for these events. We look forward to seeing everyone again!

## Newsletter Editor's Comments

It may only be two syllables, but the word "welcome" sure packs a punch! One definition is "being received gladly into one's presence or companionship", and your Board is so excited to be welcoming you back to the Club. Be on the lookout for website and Facebook posts for the latest and greatest info.

Be well,

*Paul*
