### President's Comments

Welcome Spring!

It's been a relatively mild winter, but I am excited for longer days and warmer temperatures. Be ready for those April showers with some lovely flowers from the Club's 2nd Annual All Saints Flower Sale. We have two pick-up dates this year; please circle your choice on your order form.

I am also pleased to share that Jacquie Kobe of the Detroit Ladies Dart League has created a Pampered Chef fund raiser for the Club! The order link is [www.pamperedchef.com/party/commonwealthclub.com](http://www.pamperedchef.com/party/commonwealthclub.com) or feel free to call Jacquie directly at (586) 321-1608

### Vice President's Comments

The Club is surviving, but not flourishing. Where are you, fellow members? I know the weather's bad, COVID is still serious, but we still have events - and very few people attend. OK, Trivia is still a busy evening, but, last Friday's fish fry saw virtually nobody. We need you... Your Club needs you. Add to that the desperate situation with regard to volunteers. The same handful, who do everything, need help. Consider cooking, or cleaning up, or taking dishes or glasses back. It's not a life-long commitment, but just doing something occasionally would help so much.

Plus, don't forget, our 60th Anniversary is coming up fast.

*Alan*

### Entertainment Chairperson's Comments

Hello, Everyone!

Lots of exciting happenings at the Club! You won't want to miss our euchre tournament and game night on the 19th of March - if you don't want to play euchre, bring your favorite game to the Club and enjoy a fun night with fellow members. No entry fee for non euchre players!

## Entertainment (continued)

In April, we're pleased to feature the return of Drag Queen Bingo. Prepare for your sides to hurt from laughing so much.

Hope you've marked your calendar for the 60th - 6/25/22. If you have any pictures or mementos of days gone by, we'd love to include them in a presentation.

See you soon!

MJ

## Newsletter Editor's Comments

Spring is a time for rebirth, renewal and reconnecting, but it's easy to get bogged down in negative thoughts - or even worse, stuck in complacency. It's always the scariest just before you embark on a new project, but now's the time to start and be a positive force at your Club - lend a hand, attend events.

I hope to see you all at the Club!
